**Journal of Educational Research (J-EDUCAT) (e-ISSN: 3023-8145)** is an international journal whose publication processes are carried out in accordance with scientific and blind referee rules. The magazine is published regularly twice a year (May-November). Original research articles and theoretical studies produced with qualitative, quantitative, mixed and new research approaches in the field of education are accepted to the journal. Articles in Turkish (all dialects), English and Russian are accepted to the journal, which accepts articles in all fields related to education.

The journal does not have article processing charges (APCs) and article submission charges. The journal allows the author(s) to hold the copyright and retain publishing rights without restrictions. When using the materials in non-commercial purposes the link to the organization is required. The commercial use is prohibited. This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.
