Journal of Educational Research (J-EDUCAT) (e-ISSN: 3023-8145) is an international journal whose publication processes are carried out in accordance with scientific and blind referee rules. The magazine is published regularly twice a year (May-November). Original research articles and theoretical studies produced with qualitative, quantitative, mixed and new research approaches in the field of education are accepted to the journal. Articles in Turkish (all dialects), English and Russian are accepted to the journal, which accepts articles in all fields related to education.

The journal does not have article processing charges (APCs) and article submission charges. The journal allows the author(s) to hold the copyright and retain publishing rights without restrictions. When using the materials in non-commercial purposes the link to the organization is required. The commercial use is prohibited. This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge. From the Editors

Dear Colleagues, Dear Readers,

In the first issue of the second volume, we have published five articles with our valued colleagues. Our journal continues to be met with great interest in academic life. The evaluation process of many articles from different universities and institutions continues. ***Journal of Educational Studies (J-EDUCAT)*** is an international peer-reviewed journal. We sincerely thank our colleagues who took on the task of evaluating the articles, the authors who supported them with your work, and all readers.
